

VICTORY DOG WALK

You and your dog are a team that can help Veterans in need win through! By joining our Victory Dog Walk you can help fund life-changing projects for heroes.

Your Victory Dog Walk will support

- Veterans battling Post Traumatic Stress
- Heroes with physical disability from service
- Homeless Veterans and those in poverty
- Remembrance projects
- Orphaned children who have lost a parent in service.

“Support dogs play a vital role in assisting Veterans with physical and mental injuries - taking part in our Victory Dog Walk is a fitting way to raise awareness and funds for Veterans in need. Thank you!”

Major General David Shaw CBE, CEO Veterans' Foundation.
