The Veterans' Foundation & Invictus Games Birmingham 2027

Access Unconquered: Adaptive Sport Grants

Application Form Questions

Access Unconquered is a UK wide programme from the Veterans' Foundation and Invictus Games Birmingham 2027, harnessing the power of adaptive sport to create lasting change for wounded, injured and sick (WIS) veterans and serving personnel. The questions on the Grant Application Form and details of the documentation we require are listed below. Please ensure that you **read the programme guidance document** before you start your application.

Organisation Details

- Name, address, structure of organisation, year established
- Website address, Social Media Handles
- Purposes and aims of your organisation
- Number of Directors/Trustees (minimum of three), staff and volunteers
- Do you have the following policies in place?
    - Conflict of Interest
    - Health and Safety
    - Reserves Policy
    - Safeguarding
    - Volunteering

If you have NOT previously received a grant award from the Veterans' Foundation you will be asked to upload a reference from organisations who are familiar with your work and who are embedded in the Armed Forces community.

Organisation Finances

- Finance Year Ending, Income, Expenditure and Unrestricted reserves

Contact Details

- Contact details are required for two individuals – a main contact and a secondary contact.

Grant Request Information

- Project Title (maximum 20 words)
- Anticipated start and end date of the project?
- The area in which your project be delivered (postcode requested)
- Please provide details of your funding request - i.e. what you will do and how? Maximum 250 words

- What is the total cost of your project?
- How much are you requesting?
- Please provide a cost breakdown of how a grant would be spent (maximum 100 words)

The following questions have a **250-word count limit.**

1. What is the need you are addressing by delivering your project to the WIS Community?

   Please include information on how this need was established and any consultation that has taken place. Information should be included as to whether any organisations are delivering similar projects in your geographical area.

2. How will your project improve access to opportunities for the WIS community to participate in adaptive sport?

   Please include information on how a grant would remove barriers to participating in adaptative sport and create genuine opportunities for participation.

3. How has your project been planned?

   Please include confirmation that you have all the necessary licenses, insurances, and staff qualifications in place to successfully deliver your project.

4. How is your organisation embedded into the WIS community?

   Please include details of local armed forces groups who you have relationships with.

Impact

- What impact will a Small Grant have on the lives of the WIS Armed Forces community which you support? *(Maximum 250 words)*
- Please advise of a minimum of one associated activity (Maximum 250 words)
- The number of WIS Beneficiary numbers

Documentation

You will be required to submit the following documentation – documents marked with an asterisk * are mandatory.

Latest annual approved accounts*

Governing Document (Articles of Association/Constitution etc)*

Safeguarding policy*

Reference* (mandatory for organisations who have not previously received a grant from the Veterans' Foundation)

There is the option to upload three additional documents to support your application.

If you have any queries on the above, please contact the Veterans' Foundation Grants Team via e-mail – grants@veteransfoundation.org.uk
